Statements That May Be Investigated. Testimony of Norway Citizens.

When a Norway citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Norway resident. No stronger proof of merit can be had.

W. O. Needham, retired farmer, Main St., Norway, Me., says: "Doan's Kidney Pills are the only kidney medicine I use, and they always give me relief. I never had any serious kidney trouble, but sometimes when I caught cold my kidneys were weakened. Several years ago I heard about Doan's Kidney Pills and began using them. They got my kidneys working right, and the trouble that was done, the urine poison in my system, was removed. I have obtained Doan's Kidney Pills at Stone's Drug Store, and I know that they can be relied on." 10-11

Its strength should be proven by financial disorders and business calamities. The record of this Bank is one to be proud of. Over a period of forty-one years its policy of conservatism combined with progressiveness has brought to it the growing confidence of the public generally and the active support of its friends. The result is exhibited in the concrete fact that its deposits have increased over \$100,000.00 in the past eight years.

Having these elements of strength and order; a good management, large resources, a large cash reserve and a good record, the Norway National Bank asks you, with assurance, to open an account and enjoy the privileges which it confers.

Many growing girls in school or business are frail—delicate—

anemic—lack energy and ambition and have thin blood. It is all unnatural and unless checked leads to serious and chronic ills.

Nourishment, not drugs, is the law of reason to build strength—but when appetite is poor and digestion weak, ordinary foods do not nourish—then SCOTT'S EMULSION is necessary.

SCOTT'S EMULSION overcomes just such conditions; its tissue material enters the blood without digestive effort and makes it rich. It tones the whole system and starts the healthy action of cells throughout the body.

Imitations are often offered, but to get results you must get SCOTT'S.

Worms in Children.

By Dr. True

If mothers only knew the tortures the little ones may suffer from worms!

Thousands of children have stomach worms or pin worms and their parents do not know it. They doctor them for other ailments.

Signs of worms are:

Indigestion, with a variable appetite; abnormal craving for sweets; nausea and vomiting; swollen upper lip; sour tongue; offensive breath; hard and full belly with occasional gripings and pains about the navel; face at one time flushed, then pale and in a few cases the face takes on a dull leaden hue. Eyes heavy and dull, twitching eyelids; itching of the nose; itching of the rectum; short dry cough; grinding of the teeth; little red points sticking out on tongue; starting during sleep; slow fever; pulse quickened and irregular; body may be hot; and often, in children, convulsions.

Don't delay! Delays are dangerous. Give the children at once some of Dr. True's Elixir. Directions on the bottle. Sold by all dealers at 25c, 50c and \$1.00. Thousands of grateful mothers have given my Dr. True's Elixir to sick children and restored them to health.

J. D. ROCKEFELLER

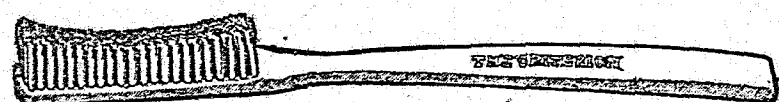

FROM A BUST IN THE UNIVERSITY OF CHICAGO

Would John D. Rockefeller have been the richest man in the world if he had spent the first money he earned? HE PUT IT IN THE BANK

When John D. Rockefeller went into the oil fields, he went there with Two Thousand Dollars that he had saved and with which he was ready to take a good business chance. HAD HE NOT HAD HIS MONEY IN THE BANK, he would not have been able to take the business chance that led to his stupendous fortune. John D. Rockefeller was no different from other fabulously rich men. Their great fortunes were the logical result of their FIRST savings.

Public Assembly.
The course of public assemblies following the large dancing school under the instruction and management of Messrs. Farrington and Packard, blossomed out, on Friday evening last, into a Masquerade ball, with a large attendance of dancing patrons and interested spectators. Excellent music was furnished by Packard's family Orchestra.

Those present and participating in the masquerade feature were:
Charlie Smith and Albert Hamlin led the march, in cog, under the unique characters of Punk and Beans, and Ham and Eggs respectively. It was a very appealing spectacle and one enthusiastic young miss thought they looked "Just good enough to eat." Eloise Millett made the very tallest sensation, as a Chinese clown in a hat that might have swept cobwebs from the ceiling, had there been any.

Evening was the character enacted by Mrs. Marjorie Kingman. Her costume was a modest gown of light blue material, thickly encrusted with large and small stars in gilt. It was not excelled in beauty or appropriateness by any other. Cinderella, floated around the hall in airy shape in the person of Ruth Gilnes of North Bridgton. Mrs. Vesta Judson and M. M. Lulu Wentworth agitated the guessing faculties of the on-lookers as a pair of colored girls right from the sunny South, with black dresses and masks to match. Teddy Roosevelt as a cowboy was one of the notable impersonations. Harold Pike in a complete character costume, add armed, cap a pie. Clown No. 2 was personated by Wade Hapgood in a very funny flowing trousered costume and equally funny mask. The "Little Fairy" was personated by E. Hapgood in a white costume bedecked with long strings of heavy sparkling beads, her long hair floating in separate plaits. She was the observed of all observed of all observers. Harold Kimball and Ralph Kimball were costumed as sturdy farmers, the latter appearing as a broad backed round shouldered son of toil.

The sweet young school girl appeared delightfully costumed and equipped with the proper educational symbols in propria persona of Carrie Wentworth of North Bridgton. A very conspicuous and telling costume was that of Edith Millett, with a flowing gown decorated with playing cards in the assumed character of a fortune teller. Had I been asked "What Trumps I should have answered "Hearts to be sure."

A collation of oysters and crackers was served in the small dining hall during the 10 o'clock recess.

A business meeting of the Methodist Parish is to be held on Saturday next, at the residence of W. K. Hamlin.

Mrs. Emily Drew, housekeeper for Ernest Pike is having a serious illness calling for the attendance of a physician.

Mrs. Nellie Flint of Albany is a visiting guest of Mrs. Muller and was an interested spectator at the Masquerade, on Friday evening.

John Shaw met with a painful accident, last Monday, falling and suffering serious injury to neck and shoulder, and partial disability.

A large quantity of big oak timber is being hauled to Summer Whitney's mill, Harrison, from a lot belonging to Loton Flint. It is to be sawed into dimensions suitable for car building stock.

Willis Learned had the misfortune to cut his leg with a sharp knife which he was using for butchering. The condition of the wound is reported to indicate blood poisoning, and that amputation of the limb may have to be resorted to.

Porter Gilnes and Robbins Plummer have been victims of LaGrippe the past week. Mr. Plummer has suffered very severely from pains and fevered condition of the system and has been under medical treatment, but his fever has been reduced and he is getting better daily. Mr. Gilnes is also feeling much better.

WEST PERU.

Mrs. Arthur Child is reported better. Tom Cunningham is sawing wood in this locality with gasoline.

Ralph Atkins passed away at his home in West Peru, after a short illness of pneumonia. He was a very nice young man and a devoted mother and a brother to mourn their loss.

Court Notes.

"The boys" were amused by Hon. John P. Swasey of Canton, a stand pat republican, and Frank A. Fox, Esq., of Kezar Falls, a copperhead democrat—Mr. Swasey maintaining the position that the republican party as a whole were the good of all the nation; Mr. Fox maintaining the position that the democratic party was the party of the people and was so decided in the last election and the strong men of today proclaimed it to be the only party with a leader. Discussion continued to later.

The three big flower cases of Harvey S. Hastings of Newry Corner against the International Paper Co., the Berlin Mills Co., and the Burgess Sulphite Co., which were expected to be tried at this term, have been settled and will be entered, "Neither Party—no further action."

25th Anniversary of the Grange.
Over two hundred patrons and guests were present at the 25th anniversary of the grange, March 5. A fine dinner was served and all went merry until the crowded hall caused the bursting of the iron rod that supported the flooring, caused something of a panic and a partial clearing of the hall.

By placing supports underneath, the hall was considered safe, and all returned for the exercises which consisted of an address by W. H. Blanchard, of Auburn, readings and recitations by members of different granges, and music.

Mrs. Leon D. Charles, past master, wrote the anniversary song which was printed and given as a souvenir of the occasion to all present.

Anniversary Song.

"Tune, Maryland, My Maryland."
There is within this grand old town
An order famous and renowned;
Today we meet to celebrate
Its birth, which was in eighty-eight,
Any hand less than a score
With leader, whose name we adore,
Assembled once and asked to be
Known as "Patrons of Husbandry."
These Patrons true without a home,
Were forced about the town to roam,
Until last within this hall they met,
They found a home once and for all.
How dear to all those early years
Followed by sunshine and by tears,
Yet through it all, some faithful few
Stood by the helm as Patrons true.
If we could look to lands above,
And see the faces that we love,
Famous whose work on earth is done,
We'd see their crowns of vict'ry won;
So members now, let us unite
To keep our Order ever bright,
And as we greetings here exchange,
We'll bid God speed to Fryeburg Grange.

Last Spring My Health

Was completely broken down through prolonged watching at a sick bed. My appetite was gone. I was so nervous that I could not sleep. I became pale, thin, languid, tired, looked ten years older. Through physical weakness my mental condition was affected. Hood's Sarsaparilla restored me to perfect health. It aided the worn-out nerves of my stomach to do their duty. I could soon eat and sleep peacefully and felt new life course through my veins. Within six weeks I was my former self, and for a year have enjoyed the best health." Julia C. Tison, Atlantic City, N. OPPON.

There was an article in the town warrant to see if the town would vote to buy the plot of land known as Abbott's little pasture to be used as a school yard.

Mr. Abbott offered to give land in the grove if the town would improve it, to be used as a school yard, therefore the article was passed over, as was also the one to see if the town would grant and raise \$500, each year for a term of five years to build a town hall. Voted to raise to defray town expenses, \$500. The ladies held a meeting at their building and furnished a free dinner to those attending town meeting.

Only Unwise People Tolerate CATARRH

Here is a sure way to get rid of Catarrh; by using, snuffing, and all misery caused by the Catarrh germs.

Get a HYOMEI outfit today, follow the instructions and breathe five times a day deep into your lungs the germ killing air through the little inhaler.

At night just before going to bed use the vapor treatment as directed. This treatment is prescribed by the best Catarrh Specialists in America and Europe to destroy Catarrh germs.

Booth's HYOMEI is Australian Eucalyptus and other splendid antiseptics. A complete outfit which includes inhaler is \$1.00; separate bottles, if the first does not entirely cure, can be obtained for 50 cents, and money back from Noyes Drug Store if you are dissatisfied.

Just breathe it—no stomach dosing.

Not Pain.

With lissed oil at \$1, what sort of oil do you think they use in "pain" at \$1.75 and \$1.50?

That stuff is counterfeit paint. You can cheat yourself; you can't cheat Time or Water.

Paint is a rubbery coat over wood and iron to keep out water.

Counterfeit paint may look like it; counterfeit money looks like money.

What are all counterfeits for? They are all alike.

Nothing Can Keep Fresh After It Is Cut Up

You can't expect the chopped-up tobacco that comes in packages to be fresh, because it has been *chopped up too long a time*. Most of the natural moisture and flavor escapes from the small particles of tobacco *before* they are put in the package. By the time you smoke them, they are so dry that they burn fast and bite your tongue.

All the flavor and fragrance of the tobacco is *pressed into* the Sickle Plug and *held there* by nature's own covering—the natural leaf wrapper. When you whistle a pipeful off the plug you get *fresh tobacco*—slow-burning, cool-smoking, rich and sweet.

You don't pay for a package—don't waste any tobacco—and get *more tobacco* for your money. Buy some Sickle to your dealer's today. You'll find the Sickle way is the *only* way to get a *satisfying* smoke.
